Some wine critics declared 2000 to be the "Vintage of the Century." "A stunning vintage which produced great wines with opulent character, freshness and purity from every red Bordeaux wine appellation. This is the type of vintage Bordeaux lovers can never have enough of in their cellars (100pts)." We need to find out.

The society will provide robust sides of meats and cheese to go with the Bordeaux. Though this will be a two bottle tasting we will be pouring 1.5 oz of each and so there will **only be 36 spots available**. Please send in your reservations early. We hope to see you all at this excellent event.
